COVID-19 VACCINATIONS pop. of Hungary: appr. 10 million

OUTLOOK

- From 7th April the opening of the country has started.
- When 5 million people get their first vaccination, further easing of the restrictions are expected.
- It seems that the peak of the 3rd wave has passed in Hungary.
- Large national orienteering events are held every weekend in Hungary. This weekend more than 700 participants expected to the competition near Hódmezővásárhely.

OTHER INFORMATION

- 1063 competitors have entered the competition until the first entry deadline.
- The event will only be cancelled, if the government doesn't allow it to be held, but the organiser believes it has little chance. In this case we offer full money back guarantee, not even the 30 EUR communicated in Bulletin 1 will be held back.
- We are working on a solution to help the competitors get visa to travel to Hungary (e.g. Russia). This is still a hard task due to the uncertainty caused by COVID.
