The certificate will include the following information:

## OTHER INFORMATION

- The event will only be cancelled, if the government doesn't allow it to be held, but this is becoming more and more unlikely. In this case we offer full money back guarantee, not even the 30 EUR communicated in Bulletin 1 will be held back.
- We are working on a solution to help the competitors get visa to travel to Hungary (e.g. Russia). Right now we can only provide an invitation letter for the competitors who have already made their entries.
